ABOUT THE SERIES

The Honest Book of Whys is a series of illustrated nonfiction books built around 101 carefully curated questions per volume — the things kids and adults genuinely wonder about. Every entry gives the short answer first, then the story underneath, with honest treatment of even the tricky parts.

WHY NOW

America’s 250th year runs through July 4, 2027 — semiquincentennial coverage continues all year. America 250 is a family-friendly way in, including the parts people still argue about.

ABOUT THE AUTHOR

Billie Alexander writes The Honest Book of Whys, a series that answers the questions people actually ask — clearly, honestly, accurately, and without the lecture. She is published by Architect Press.
